

Wolverhampton & District Chess League

N E W S

NEWSLETTER AND RESULTS NO.1

In producing my first Newsletter I hope it fulfils all that is necessary of it. Apart from giving you all the results, I would welcome your comments for forthcoming bulletins.

TO ALL SECRETARIES

Nine of you have yet to submit your lists of Registered Players. Whether you get Points deducted is up to the League management, but there is going to be a lot of complaining should it cost you promotion or relegation. A number of Clubs send their results in late and have yet to pay their LEAGUE FEES. Come on, snap out of this lethargy.

STOKE LEAGUE DEFAULTED ON 5 BOARDS RESULT 18 - 7 TO WOLVERHAMPTON

Thank you to all the Wolverhampton players who travelled to Stafford, and my grateful thanks to the Stafford Chess Club for staging the match and providing the refreshments. However, I wish to be critical of the Stoke League. We lost the first seven games to Stoke without complaint and now, after successive wins, the Stoke League appears to be uninterested in this fixture. We travelled with 25 players plus a reserve, they came with 12. They managed to find some spare local players and my reserve and requested that we allow the four players from the Stafford Club to switch sides. This we reluctantly agreed to because it would have otherwise meant that 11 of the Wolverhampton side would have travelled in vain, which was unthinkable. It would appear that, unless we get assurances from the Stoke League that this shambles will not be repeated, the last Inter League match has been played.

DOUG BURGOYNE
