Wolverhampton & District Chess League

No doubt you will all have had your Xmas celebrations by the time this Bulletin is out, so I hope you all had a good time and I would like to wish you all a very successful new chess year.

Sorry for the delay, but we are having problems with the duplicator, which requires a major overhaul. Trading it in for a more modern one, apparently, is cheaper than trying to repair it.

Results have been coming in slowly, so I hope to provide a more comprehensive list by our next issue. I think we could do with more County results too, surely they have played more than three this season?

Ken Francis.

..... Editor,

WANTED

Someone to :-

1. Use and look after the Duplicator, for production of Bulletin, League Forms etc.
2. Catalogue league clocks out on hire. Keep those not in use and arrange repairs as necessary.
3. Keep a list of Holders of League Trophies. Be responsible for engraving them, purchasing Replicas and making them readily available at the A.G.M!
4. Any expenses incurred with any of these functions would be reimbursed.

The person who holds this position, would have the title "Equipment Secretary" and be a member of the Executive Committee.

I appeal to all club secretaries, who know their own members best, to ask them, Your members enjoy chess, so plough back some of that enjoyment to help the rest of us please.

If you have a member in your club, who would be interested in helping the League, phone Wolverhampton 24676 or write immediately to :-

P.S. Walkins, 64, Albert road, Wolverhampton, WV6 0AF. Thank You, Lady or Gent.

A crushing defeat in the Warwickshire match. We have lost too many strong players recently to expect to beat such a side, which a team which is missing three of the stronger (180 plus) players, who still remain. There is no change to the list of players currently tied to Staffs. I.

In the other match against Worcestershire, Staffordshire claimed a draw on board II. E.W. Lees substituted for D.W. Clark, who missed his lift. Following this match, J.T. Pitcher, Dr N. Young, R. Butler, and W. Park are no longer tied to Staffs. I. So the players currently tied to Staffs. I are now: R.A. Beach, P. Robinson, G. Homer, A.C. Porter, B. Marshall, C.S. Barnard, F.N. Edmonds, A. Sadler, C.J. Gant, R.V.H. Butters, C.E. Whitehead, G. Orme, and D.J. Barnett.

With a few more players on the top boards we could perhaps win next year (3 wins on first 9 boards). The Burntwood players were all juniors. Their secretary answered my request for players promptly but Dudley, Walsall Kipping, Rock Kipping, Lichfield and Lichfield & District, do not seem to care. That is a shame. Sorry Union Locks, but you cannot include everyone (perhaps next time).

With more support I would arrange a Shropshire match. Perhaps clubs could convey, whether they are interested. We require some 180 plus or 170's at least, for effective competitions at the top.
