NEWSLETTER AND RESULTS NO.2

In the previous Newsletter I invited contributions from you to help the Newsletter to be more interesting. Your response has been in the negative, so I now repeat my request. The County results have been held back as there appear to be many other results affecting our League.

Below is an extract of a disputes Committee Meeting:

MINUTES of disputes committee meeting held at John Thompson's Social Club on Tuesday November 6th 1984.

Attended by B. Marshall, K.G. Humphreys, J.H. Baines, A.T. Leadbetter, E.W. Lees, K. Pittaway, R. Wheeler. Apologies from R.G. Thompson and D. Burgoyne.

Meeting began with Mr. Leadbetter reading a detailed letter from Mr. Burgoyne concerning his own club's (Cannock) late registration for participation in the Pittaway Trophy. He went on to point out that he was responsible, as Tournament Secretary for running the competition, and he was not sure:-

1. Whether League Rule 5C applies to the Pittaway Trophy.
2. If penalties are to be implemented under whose jurisdiction does this fall.

The meeting discussed the problem at length. Mr. Humphreys gave elaborate details of the late registration of the four clubs involved in the Pittaway Trophy. It was finally agreed that the mention of "registered for league play" in Knockout Cup Rule 9 implied that League Rule 5C must apply as well.

The four clubs, Cannock, Penkridge, Brewood and Rugeley, were to be defaulted from the Pittaway Trophy. If any of them had won in the first round then their first round opponents were to be reinstated.

Mr. Humphreys went on to tell the meeting of various instances of rule breaking. The main concerns were late registrations with regard to league matches and the incorrect filling in of adjudication forms. As these fall in his jurisdiction the meeting backed Mr. Humphreys in whatever appropriate penalties he intended to impose.

B. Marshall
GENERAL SECRETARY.

Whilst Rules must be complied with, it is my firm belief that all disputes should be settled across the Chess Board. When games and subsequently points are deducted because Clubs are in breach of the Rules this opens the door to clubs gaining promotion etc., which must be wrong. Surely when disputes arise games might be replayed at say the offending club's expense. Perhaps this might ensure that we adhere to all Rules.

This view is the opinion of an individual and doesn't necessarily reflect those of the Committee.

JUNIOR SECTION

A Staffordshire Team entered the 6th Annual National Under 16 Championships held in Upminster, Essex on 24th November. With a very disappointing first round score of 6 out of 12 the team failed to qualify for the Championship Section for the top five teams. However, the team easily won the two round Major Section for the remaining ten teams by a 2 point margin, individual scores being as follows:
