N.Y.C.A.

The National Youth Chess Association held their 14th team championship in Wolverhampton. The event which started an entry of 52 teams of 14 counties, 14 towns, was in two sections, winners were Richmond, M. O'Brien, 'A' Many of the 14 counties took part including the World Under 10 champion, G. Gillingham who played for the winners of the open. What a pity the local event paper and board T.V. failed to report my request to attend or to make the event public as the person responsible for organising the event I would like to thank all those who helped me in running the event. NEWS LETTER No 2 1992-1993.

Editor. Mr K.G. Humphreys, 82, Vernier Avenue, Kingswinford DY6 8SA

We have lost two more teams since the last newsletter, several others appear to be having problems turning out teams, while several others have used a number of reserves already. I have my doubts about two lasting the season, but let us hope we do not lose any more.

League Tables. You will see who we have lost, secretaries have been informed by clubs concerned. Some teams are ahead with their fixtures and some are behind but this is usual.
