NATIONAL LIGHTNING CHESS CHAMPIONSHIP

TEAM AND INDIVIDUAL

The Championships were held at Birmingham on 6th and 7th November, with the record entries for both events 33 for Team 40 for Individual.

The Drill Hall was not exactly the perfect place for such an important event, and even B.H. Wood remarked in his weekly column in the B'HAM POST that the premises were lamentably inadequate.

In spite of all this a very High standard of play was achieved and 692 games were played in the two events.

The Team Tournament was won by--:

ISLINGTON	25	Points.
NEW HAM & EAST LONDON	20	
BIRMINGHAM	20	
BRADFORD	20	
SUTTON COLDFIELD 'A'	19½	
GL ASGOW 'B'	19	
IL ILFORD	19	
CHELLENHAM	19	

Wolverhampton Kipping scored 16 points which is a good performance, as readers will realize the opposition is extremely strong.

INDIVIDUAL CHAMPIONSHIP

There was a keen struggle for the above competition. O.M. Hindle (Norwich) played extremely well and with a round to go it was clear that he will clinch the championship.

Last year's winner M. MacDONALD ROSS had a rather disappointing day and finished well below expectation.

The final results were as follows:-

C.M. Hindle	8½
E. Cafferty	6½
J.D. Ball	6½
DR. J. Aitken	6½
P.C. Gibbs	6
S. Reuben	6
R.C. Lynn	6
K.W. Lloyd	5½
M. MacDonald Ross	5½
A. Foothill	5½
D.E. Lloyd	5½
J. Tolan	5½

WOLVERHAMPTON AND DISTRICT SCHOOL CHESS.

Further to our report in the last month's magazine, here is some additional information.

An offer has been made by the representative of Manor School for duplicating facilities for the Schools League.

An individual competition was proposed in the last meeting by Mr. R. Graham and seconded by K. Pittaway, to be held in the form of an Open Championship, run on the knock out basis, with two competitors of each School. The venue for the final to be by Kipping or by mutual agreement.

We are hoping to publish any results received from the Schools League as soon as they are available.

If any School's Chess Club has any material they would like us to publish in the magazine, will they please send it to P. Staley or L. Armstrong.

P.G. JACKSON - J.H. BAINES.
COUNTY TRIAL MATCH.

In last month's issue in the Game Section there was an error in the report of the above game. Mr. J.H. Baines did not resign, in fact the game was adjudicated and awarded to P.G. Jackson. My apologies to Mr. Baines.

SIMULTANEOUS DISPLAY.

30th October 1965.

L. Barden well known British Master and Chess writer gave a simultaneous display at Springfield School Wolverhampton.

It was most unfortunate that on the same day Wolverhampton Kipping had to play in the national Club Championship, and so a number of strong players were unable to take part in the display.

Of the 17 opponents Mr. Barden's first victim was C. Winmill (Rubery Owen) who received a consolation prize. However Mr. Barden did not get all his own way, soon afterwards G. Stokes -Roberts (John Thompsons) made the Master capitulate, and what a win it was (this game is printed in Games Section) Dr. N. Young recorded on more win soon after (his game also is in the Games Section.)

Five W-ton & District League players obtained draws -:

J.H. Baines (Walsall) J.H. Charles
(Stewarts & Lloyds) K. Pittaway (J. Thompsons)
C. Southall (West Bron. Central) F.S. Wilkins

The final Score won 10 lost 2

National Club Championship.
30th October 1955.

This was not a lucky day for Ripping Chess Club, and the result in this competition was a disappointing one. Mr. Stevenson scored a fine win, D. Anderton was a pawn up but had to be content with a draw, Broome lost on time, Greenhalgh was well below form.

BIRMINGHAM CHESS LEAGUE

WALSALL KIPPING.

It does not happen very often in the Chess League that one loses a game in 7 moves, but it did occur in the Walsall Kipping Div. I versus Handsworth Wood Div. IV match in the Terril Trophy. Walsall won convincingly $5\frac{1}{2}$ to $3\frac{1}{2}$. Thanks to Mr. Leedham for letting us have the game, how to lose in 7 moves.
