Chess Olympiads- Malta.

Englands mens team finished 6th in this event and although that may not seem good,it was the best result acheived since 1927,as David Anderton,their team captain reports,it was interesting to note that the three medalists-U.S.S.R.? Hungary, Yugoslavia.were allsupported by large teams of analysts.

The womans team finished 13th,not sure whether that is an improvement or not,on past events?

Our best performance so far this season, even though we lost. At one stage it even appeared that we might win the match, but the manchester upper boards outplayed ours in the closing stages.

Congratulations to Clare Whitehead and Geoff Orme, who both qualify for their Staffs. 1st team ties. Clare is the first Staffordshire lady player to achieve this distinction.

Following this match, A.C. Porter is no longer tied to Staffs I, but G.B. Stanway becomes tied. So the players currently tied to Staffs. I are now: R.A. Beach, G. Homer, B. Marshall, P. Robinson, C.S. Barnard, C.E. Whitehead, G.B. Stanway, F.N. Edmonds, C.J. Gant, A. Sadler, D.J. Barnett, R.V.H. Butters and G. Orme.
