Worcestershire won the toss and
 so had White on odd boards.

Miss C.Whitehead was the first
 to start the trot with a nice win
 over P.Turberfield a dour opponent.
 Then Staffordshire won six on the
 trot not a Whitewash? Worcester-
 shire fought back with a meagre
 draw then started to catch up to
 $9\frac{1}{2}$ - $7\frac{1}{2}$ but only scraped a draw with
 the last 3 games

Wolverhampton Chess League Andrew Leadbetter writes:-
HAS OUR COMMITTEE E.S.P ?

Your committee has had a spell of exorcising the league; it seems
the league is haunted by ghost players: Heaps of legendary players
who appear on registration lists but not at matches. Few people admit
to having seen one, hence our 3 $\frac{1}{2}$ hr exorcism.

At this marathon
committee meeting we decided that the most haunted club should
re-register from its current players -- ouija boards being now
banned.

One dispute was considered and clubs are reminded that many
problems can now be solved by using "The Laws of Chess" & their
interpretation, available from the BCF.

If you find a clock ie faulty, instead of disturbing everyone else
you should compare it with other clocks to judge the time elapsed.

Your President would prefer to be a vampire to a ghost, and is
looking for new Blood. If you enjoy playing Chess but don't go to
the AGM because you are afraid of getting a job, consider our
ageing chess officials who might now like a break. Please volunteer.
Most of the committee have been organising local Chess for at
least 10 yrs. Ken Pittaway has been Sec for 20 years. We desperately
need some new organisers or the whole scaffolding can collapse.
Are you reg with the BCF? If Not you should be? The BCF Reg is
needed to enter tourneys, Controls county matches as above.
National teams etc.

STOP PRESS! Latest result:--Mar 24th Sat Notts 8 $\frac{1}{2}$ - 11 $\frac{1}{2}$ Staffs.
 Congratulations to Staffs who now have qualified along with Gt Man
 to the Last 8 of the BCF Championship.

 Gt Man 111 4.16. Staffs 111 X Congratulations to Staffs 3rd
 team proving that the nucleus of strength is its foundations.
