The Wolverhampton & District Chess League

The League was formed in 1945, the first meeting being held in 16 March of that year. Further meetings occurred during the year, (3May 1945 & 2 August 1945). Our first season commenced in September. My, how they moved in those days !!!!

Entry fees were 5/- (five shillings) per team (25p) and 1/- (one shilling) per player (5p).
Adjudication costs were also phenomenal, at 2/- (two shillings) (10p) !!!!

Eight clubs participated in the first season, each with eight players per side. The league table at the end of this founding season read:-

Team	Points Total
Cannock	25
Walsall Kipping	21
Wolverhampton Kipping	19
Municipal G S	12
Marston Excelsior	8
Pale Meadow Bridgnorth	5
Rubery Owen	4

You will note that Walsall Kipping are the only club which still remains a member of the league. Since its foundation, over fifty clubs have joined the league, played, and then disbanded. Some have have since rejoined, and our league continues to thrive.

There are a small number of people who have given many years of voluntary service. Without such people the league would not function and I am sure that you all join me in thanking them for their ceaseless dedication. The following list is not exhaustive but notes those who have perhaps provided the longest service to our league:-
K S Rock; H O Bidgood; R Briscoe; K Pittaway; R E F Duncanson; J H Baines; K G Humphreys.

There have, of course, been several others who have given their time and service.

At one time there were six divisions, the now missing 6th division being formed when KGH was chairman, and during the 1878/79 season the number of teams registered and participating numbered 73.

Some three seasons or so past it was agreed that the league would not let its " Golden Anniversary " pass by without honouring this event in some way. Initially, a committee was formed in order to establish what form this acknowledgement would take. I am not sure yet what progress has been made on this important event. However, I hope to be able to provide further news of this item in my next bulletin.

As promised in Newsletter No 2, our front cover for this issue is a design provided by Telford C C . (R G Thompson), who I thank for his submission. Your (constructive!!) comments on this, and past, designs are most welcome.

Late Cards

The following teams have lost a life for breach of rule 6F:-

Telford (Division 1 & 5)
Dudley (Division 1)
Bushbury (Division 1)
Rushall (Division 5)

Any further breach by these teams will now result in the loss of a point from the league table.

Registrations

So far this season three clubs have breached rule 5H. Only one of the clubs involved has since registered the player concerned.
