50th Anniversary League Dinner

Just a few comments about the above event. I felt it should have been held on a different night to the AGM, with an 8.00 pm start. This would have enabled those league members who wished to bring a partner to a chess social function to do so - such opportunities being few and far between.

Holding the event on a separate evening to the AGM would have allowed those present to have their meal (including sweet and coffee) at leisure. Regrettably, diners ate in the knowledge that they were encroaching upon the AGM meeting time and that non-diners were awaiting outside in anticipation of the AGM.

The organization of this event left a lot to be desired. There were no meetings as such of those elected to serve on the committee. As one of those elected I made several enquiries as to when a meeting would be held, all to no avail. My offer of other ideas has also been greeted with similar apathy and inaction.

Having been involved with the League since 1946/47 as both a player or Officer I was, to say the least, very disappointed with the event arranged by the League to celebrate its 50th year.

A great deal of thought has been given to these comments since first committing them to paper, hence the delay in their publication in the newsletter.

The Editor.

Team withdrawal

West Midlands police have withdrawn their team from division five.

Late Cards

Division One

- Both Bushbury and West Bromwich lose their life for breach of rule 7E -
No card for defaulted match within 7 days.

Division Four

- Rushall lose one point for second late card
- Brewood lose one point for two late cards in the last two matches.

Rule 6F

- There are too many breaches of this rule re: 28 days to finish game and report result. **NB. You have been warned.**

Match Cards

- Please note these should be filled in with capital letters. A small number of captains are failing to do this. The person printing the newsletter could have a problem reading the names and collating the newsletter.
