### EDITORIAL

Following the Christmas break we are now back to the business of playing chess. I trust all members had an enjoyable break.

I begin the year on a sad note in reporting the death of our records secretary, Peter Allan. An obituary appears later in this bulletin.

On a personal note regarding Peter he made my life as Bulletin Editor that much easier by introducing a computerised system of maintaining results which has saved me some hours of one finger typing. Derek Laight has now taken on the roll of Records Secretary on a permanent basis and I am sure I speak for all in wishing him success in this new roll. Derek's address and phone no. appeared in the last bulletin.

### **Staffordshire Chess Association**

At a special meeting of the above held in December a new constitution was approved which gives the WDCL formal representation on this body.

### Obituary Peter Allan ( 1934-2005 )

Peter joined Brewood chess club during the 1993/94 season. He was an enthusiastic chess player and gave the club great support. From 1997 he became club captain and organised the club tournaments. While he was a member his grade rose from 66 to 99 this year.

Peter was a regular player in the league teams and he also played postal chess. He was twice runner up in the club championship and twice winner of the club's Silver cup tournament.

When he took over as records secretary for both the WDCL and the Wolverhampton summer league in 2003 he created computer software to organise the results and produce league tables, submitting it also as part of his M.Sc in computer science.

When it became clear that his cancer was terminal, Peter generously donated his software and computer to the league so that they can be used in the future.
