STAFFORDSHIRE COUNTY MATCHES.

Midland Counties Championship Match - STAFFS I v WARKS I.

This match was originally arranged for 2.00 pm. Saturday, 11th, December, 1976, at Penn British Legion but a double booking of the room was notified to Staffordshire late on Friday evening prior to the fixed date and it became necessary to find another venue in the short time available.

Thanks to Bert Smith and Graham Humphreys the Wolverhampton Kipping room was made available and the match was subsequently played there.

Had the original venue been free for play as arranged, the match would have commenced with the Warwickshire team lacking several players but the delay caused by redirecting players to the new venue meant that when the match got under way at 3.00 pm the missing players were free to play without losing any time on the clock.

In Staffs Chess News No. 37, February, 1975, I mentioned a claim by Frank Rowley for a Staffs record for the total age of any two players over the board being 165 years.

Just for the record and records it has been pointed out to me that in the Bidgood Trophy Round II game E.A. Thomas v P. Guest the total age of the contestants was 168 years and still going strong. Any advance on 168 years?
