EDITORIAL

Would club Secretaries please note that the grading officer, John Charles has asked me to point out that he is not being properly informed by clubs as to the status of players. Junior players are more favourably treated in the grading system, but in order to asses gradings correctly he must know who the juniors are.

The British Chess Magazine are sponsoring prizes for junior events inthe Staffs Chess Congress, I have received a letter from the B.C.M. offering three six month subscriptions to the magazine, so juniors there is an extra prize to be won.
