The performance of the team in finishing 4th was a good one. However if the parents of two boys had not been blackmailed into sending their lads to take part in a primary training weekend, the County would have won the event without much trouble. For the parents of the two boys concerned to be placed in a position where they were forced to send their lads to a Training Session and told if they did not attend on both days, it would effect their inclusion in an English Primary team to play Scotland, was a disgrace, what made it even more disgraceful was the fact it was not true, as attendance had no bearing on their selection. Pressure was also put on both parents by one of the coaches taking part. He told the parents that if the boys did not attend the Training on both days he would withdraw his services as coach. To submit the parents to this sort of pressure as to what is best for their children, leaves a lot to be desired, and shows a complete lack of scruples on the part of the people concerned. The suggestion was put to me that I should deliver a similar ultimatum, but not wishing to sink to such a low level I declined the idea, as this is not my way of operating. Since taking over the job of Staffs Junior Secretary in September 1952 I have never brought any pressure to bear on any youngster or their parents to turn out for any County Junior Team at any age group. With me not being a school teacher I find it difficult to stomach such conduct. However in fairness I should say that all school teachers are not of the same view.

Staffordshire Under 14 Team scored a convincing win in the National Westminster Bank Under 14 Team Championship played on March, 12th in Stamford, Lincolnshire.

The team which showed four changes from the one that played in the Midland event on February, 19th lost only two games. The two boys who were not allowed to play in the Midland event scored $5\frac{1}{2}/6$, so it can be seen that their none appearance in the Midland event almost certainly cost Staffordshire that Championship.

The event on March, 12th was the first one sponsored, it was very well organised and each player received a very nice medalion which they keep.

Staffs. Juniors have put up a very good performance this season. Having finished 2nd in the National Under 16 Team Championship, won the Under 14 team event and have also won the M.C.C.U. Under 18 team Championship and by the time you read this they will have played on March, 26th in the National Westminster Bank Under 18 Counties Championships. A win in this event would make it a season to remember. At present it is the best season the Juniors have ever had and things look very good for the future. Most members of the Under 18 Team have two or more years still to play, in fact the top two boards are also my top two in the Under 14 team. There are many good youngsters coming along but alas I only find out about some of them when they join senior schools. In closing my comments I would like to thank all those people who have helped me over the year and to thank the boys for their grand showing this year.

Graham Humphreys.

Staffs are claiming a win on board 9, and Notts are claiming a draw. Staffs need to win this game, since a draw would mean a win for Notts on board count.

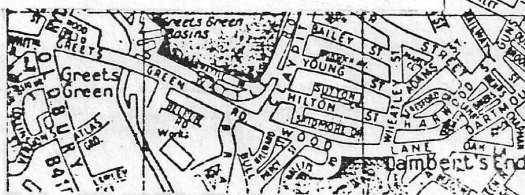

Congratulations to Martin Costley, who qualifies for his Staffs 1st team tie, whatever the result of this adjudication.

Following this match, J.E. Crump is no longer tied to Staffs I but D.P. Wheeler becomes tied. So the players currently tied to Staffs I are now: R.A. Beach, D.W. Anderton, B. Hopewell, G.B.
