Wolverhampton & District Chess League

NEWS

NEWSLETTER 5. 89/90.

Editorial.

This is the last newsletter for the current season which ends at the A.G.M. I have not found editing the newsletter much of a problem, as most of the information comes to me. I shall be willing to carry on next season if the A.G.M. wish me to do so. Editor K.G. Humphreys.

Defaults.

There have been four more match defaults since the last newsletter making a total of 23. 19 single and 4 double 8 of them were by W.M. Police B in division 4, 4 by Wolverhampton Polytechnic also in division 4 and have been the most troublesome division.

Active Players.

There was a total of 20 clubs, 15 of whom entered 46 teams who registered the minimum number of players per team ie 6 or 5 and 15 of them had one or more players who took no part in the team its name appeared. Some clubs are having problems, not realising they are unfair on the other clubs, in registering players for their team who do not play the required 50% nor in fact do they make any attempt to replace such players when they know in many cases some of their players are not going to play at all, THEY SHOULD REPLACE THEM PROMPTLY.

Adjudications.

18 positions were adjudicated. 7 came in from one side only, were the claims conceded without any word to me (KGH) or their opponent. 5 positions came in without the correct information by one side, which meant the the other side got what they claimed.

Records Secretary K.G. Humphreys.
